

## EXCELLENCE IN SERVICE AWARD, 2012

# Berry Andelin

Library Assistant, Manoa Library

Friendly, artistic and positive, Berry is a multiple year nominee for the Excellence in Service Award, although she has been in the Library system a mere eight years. Most of those years she was at the Kaimuki Library where, as a Library Assistant IV, she worked with and hired circulation staff and student helpers, did payroll and scheduling and was the “supply clerk.”

In March of 2012, Berry accepted the very exciting challenge of helping to open up the beautiful new Manoa Library. At Manoa, She helped move, stack and arrange books on the newly installed shelves, configured the layout for the Circulation Desk and organized the workroom and supplies for the staff.

Berry has always loved libraries, and considers them an amazing resource. She loves interacting with Library patrons, and discussing the merits of various titles with them. She has created lists of “Best Books” which include books about Hawaii by local authors. Henry Richmond, who nominated Berry this year stated, “The Library has a tremendous resource, and Berry deserves all the recognition she can get.” We agree!
